**DETAILED ACTION**  
***Election/Restrictions***

This application is in condition for allowance except for the presence of claims 7 and 8 directed to embodiments non-elected without traverse. The claims cannot be rejoined since the limitation of claim 9, which are mutually exclusive to the limitations of claims 7 and 8, have been incorporated into claim 1. Accordingly, claims 7 and 8 have been cancelled.

***Examiner's Amendment***

The examiner's amendment has been authorized by the applicant's representative Douglas Mueller in a telephone conference on August 15, 2007.

Please, amend the application as follows:

Cancel claims 7 and 8.

***Allowable Subject Matter***

**Claims 1-4, 6, 11 and 12** are allowed.

The following is an examiner's statement of reasons for allowance: the arguments presented by the applicant are persuasive. The prior art of record does not disclose or suggest to combine a semiconductor laser as described in claim 1 where the width of the stripe at the rear end face is between 1.4 and 2  $\mu\text{m}$  and the stripe has a length of one-twentieth or shorter of the length of the resonator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
